EXECUTIVE DIRECTOR

Elizabeth Bradner Davis

Beth Bradner Davis, Executive Director
Breast Cancer Research Foundation of Alabama

Beth joined the Breast Cancer Research Foundation of Alabama (BCRFA) in August 2014 as the organization's Executive Director. In the role, she manages all internal and external affairs for the statewide group, as well as serves as a liaison to the community. As she leads fundraising for the BCRFA, she is dedicated to advancing the organization's mission: "To help find a cure for breast cancer by funding promising Breast Cancer Research and to raise community awareness and funding for that research."

Prior to coming to BCRFA, Beth served as the Vice President for Marketing and Development at Greater Birmingham Habitat for Humanity, where she was responsible for the organization's fundraising, communications and volunteer engagement. Beth began her nonprofit service in 1997 overseeing marketing, development and special events with the USO in Washington DC, where she served for nine years.

Beth holds a Bachelor's Degree in Business Management and currently lives in Fultondale, AL. She is the mother of three children and grandmother of two.
